Good morning Ladies,

Welcome to our New Year. What a start!!! Lovely and warm and full of hope and then the rain came and in some places, it forgot to stop.

Our thoughts and prayers are with the families who are going through all the rain and high winds and weather-related disasters. As I look out my window now, the sun is shining so I hope that is a sign for better days ahead.

It is not long now until our A.G.M. March 3<sup>rd</sup>., so ladies, get busy with your competition entries so that we will have plenty of entries to send down to Christchurch National A.G.M. Let us get our names mentioned at ‘Prizegiving’ so that our delegates can bring home some trophies.

It is with sadness and a heavy heart that we acknowledge the passing of Valerie Larsen. Valerie was a Past President of our Federation. She will be remembered for her quick wit and sense of humour. Rest in peace Valerie, after your long illness. You will be greatly missed.

Take care and remember to stay hydrated in this warm weather.

Federation President
