March 2024

Hi members,

I would like to thank you all, for the support you have given me while I have been Federation President, and I hope you will support Mary Davies as our incoming President.

As Kay and Gwen will be looking forward to a rest, Mary will need some more Federation Committee members. Thank you, Kay and Gwen.

Speaking of support, I hope that we have a little more support for our AGM on March 26th, at the Glen Eden Recreation Hall, Glendale Rd. The competitions will be the National ones, plus cooking. Also, please bring something for the Sales Table, and your Institute Banners.

We should also like donations for A.D.K.S (Auckland District Kidney Society) – adult size, woollen mittens, gum-boot socks and scarves.

Another quote to finish “A good rule for going through life is to keep the heart a little softer than the head.”

Betty.

PS After your Institute AGM, will you please email or post the names of your new Institute Officers to Mary Davies.
