

EASTERN FEDERATION OTAGO

June 2024

Theme: Softening the Hard Times

Project: Nourish the Nation

Dear all Eastern Otago Federation members.

Our last Eastern Otago Federation Committee meeting was held at the “Diggers Restaurant” at the RSA complex, Mosgiel. This is where we have arranged to hold the lunch for the Eastern Otago Federation of Women’s Institute’s 70th birthday celebration, on Friday the 8th of November 2024. We were shown a private room we could use, depending on numbers attending.

Menu choices were looked at, we have chosen one for \$40. This includes a choice of 4 mains, 3 desserts, tea and coffee. We hope that all attending will find something to enjoy.

More information about securing your place for this event will follow in later newsletters.

Kai-ora-Katoa Women’s Institute is hosting the Harbourside meeting on Thursday the 20th June 2024. { see below for more details}

The speaker for this meeting is from the Dunedin Night Shelter and we are asking members to donate breakfast foods or toiletries for their clients.

As with all donations, they are voluntary, but this will be an opportunity to help others and our donations will fit in with the NZWI theme of “Softening the hard times” and their project of “Nourishing the Nation.”

Maybe you could add this opportunity to donate goods for the Dunedin Night Shelter as an extra roll call for your June meeting and bring them to the Harbourside meeting.

The New Zealand Federation of Women’s Institute 103rd AGM was held in Palmerston North on the 27th and 28th of May. Two members from our Federation attended and we look forward to hearing of their experiences.

I watched three of the sessions via the live-streaming link. The link made you feel part of the meeting, especially if you have attended an AGM and understand their programme and how they run this event.

Looking forward to seeing you at the Harbour meeting.
