Good afternoon Ladies,

For a moment today, the sun came out but then, normal life resumed and the rain poured down. So back indoors again and hope for better weather tomorrow to get the washing dry.

Your Federation committee have been busy getting the finer details sorted out for our Bi-annual meeting on Tuesday 3rd September. We are looking forward to getting together again and catching up with everyone. The competitions are always fun and we are anticipating lots of entries.

Sally from the Ngatea Community Op-Shop is coming to talk to us about their work and support within the community. They would appreciate any donations of goods that you may have sitting unused in the back of your cupboards.

Thank you to Waihi and Waihi Beach W.I. Members, we enjoyed visiting you for your Group Day meeting at Waihi Beach. Interesting entertainment and demonstration which was enjoyed by everyone.

Take care, keep warm and hopefully, dry.

Dawn
Federation President
